AMERICAN STUDIES

mount st. mary's college
1974 - 75

What is it?

- a comprehensive effort to understand all aspects of American life and thought, the relationships between various elements of American life, the interdependent nature of American culture

What does it include?

- major program tailored to student interest and needs
- emphasis on American history and literature
- offerings in American art, history, American music, American philosophy and thought, political science, economics, sociology, and psychology, American Studies seminars
- courses in the traditional disciplines as well as interdisciplinary offerings

Where can it lead?

- to an intellectually challenging life
- to an understanding of one's own culture
- to a career capitalizing on one's understanding of American culture and on the ability to think and draw relationships:

government service: domestic and foreign
journalism
advertising
social service
teaching
law

Who is eligible for scholarship?

- the student who has a B average
- has applied to Mount St. Mary's College
- has decided to major in American Studies
