## THE DOHENY CAMPUS OF MOUNT ST. MARY'S COLLEGE

Mount St. Mary's College expanded to a second campus in 1962. The Doheny Campus at Chester Place (Adams and Figueroa) near the intersection of the Harbor and Santa Monica Freeways, is located on property formerly owned by Edward L. Doheny and his wife, the Countess Estelle Doheny. The campus has been named for them.

The two city blocks of Victorian residences in their setting of exotic trees and flowers have been converted to educational purposes. In 1965 a classroom building containing an auditorium, lecture rooms, and laboratories was erected. Since that date, Ahmanson Commons, containing the food service and seminar facilities, and McIntyre Hall, a student residence and activity center, have been added to the campus.

The Doheny Campus supplements and extends the educational opportunities which Mount St. Mary's College offers. This location, close to the industrial part of Los Angeles, was thought to be ideal for two-year, career-oriented associate degree programs, and for California teaching credential programs.
